2005:

I'M FREE

*Don't grieve for me, for now I'm free
I'm following the path God laid for me,
I took His hand when I heard Him call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way.
I found that place at the close of day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss.
Ah yes, these things, I too, will miss.*

*Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much.
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief.
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.*
